Qualifications:

Garfield County has always been home. I have spent much of my life here, first with my Roundy family of Escalante and my King family of Boulder, then with my own family. As a counselor and then Career Pathways Coordinator, I had the opportunity to work with and for Garfield County School District providing inservice and training. I'm excited to fulfill my goal of serving the students of Garfield County more directly now that I have time as a retired educator. My background and the awards I have received demonstrate my ability to meet and understand the many difficult decisions that come before the board. These include Treasurer and Educational coordinator of the Boulder Heritage Foundation, 27 years in public education, Utah Human rights Award in 2009, Utah Counselor of the Year in 1995, state leader in Comprehensive Counseling and Guidance, Career Pathways and school to Careers leader, leader in educational reform in the 9-District Consortium, St George Chamber of Commerce Educator Member, Boulder Community Foundation Advisory Council Member.
